MAINFRAME LOGONID REQUEST FORM

CUSTOMER ACKNOWLEDGEMENT

Ethical Standard: I acknowledge that reasonable use and common sense must prevail in the workplace use of Office Technologies and that I must understand and comply with applicable Alaska Statute, policies, and Administrative Code. The Executive Branch Ethics Act states a public employee may not "use state time, property, equipment, or other facilities to benefit personal or financial interests" (AS 39.52.120(b)(3)). Further, "standards of ethical conduct for members of the executive branch need to distinguish between those minor and inconsequential conflicts ... and those conflicts of interests that are substantial and material." (AS 39.52.110 (a)(3)).

"AS. 11.46.740 Criminal use of computer. (a) A person commits the offense of criminal use of a computer if, having no right to do so or any reasonable ground to believe the person has such a right, the person knowingly accesses, causes to be accessed, or exceeds the person's authorized access to a computer, computer system, computer program, computer network, or any part of a computer system or network, and, as a result of or in the course of that access, (1) obtains information concerning a person; (2) introduces false information into a computer, computer system, computer program, or computer network with the intent to damage or enhance the data record or the financial reputation of a person; (3) introduces false information into a computer, computer system, computer program, or computer network and, with criminal negligence, damages or enhances the data record or the financial reputation of a person;(4) obtains proprietary information of another person(5) obtains information that is only available to the public for a fee(6) introduces instructions, a computer program, or other information that tampers with, disrupts, disables, or destroys a computer, computer system, computer program, computer network, or any part of a computer system or network; or (7) encrypts or decrypts data (b) In this section, "proprietary information" means scientific, technical, or commercial information, including a design, process, procedure, customer list, supplier list, or customer records that the holder of the information has not made available to the public.(c) Criminal use of a computer is a class C felony."

**Criminal Activity:** I acknowledge that misuse of computing resources is a criminal activity under Alaska Statute (including those as follows): "(AS 11.46.484) 11.46.484. Criminal mischief in the fourth degree. (a) A person commits the crime of criminal mischief in the fourth degree if, having no right to do so or any reasonable ground to believe the person has such a right: (3) the person knowingly accesses a computer, computer system, computer program, computer network, or part of a computer system or network... (b) Criminal mischief in the fourth degree is a class A misdemeanor. "

**Password Confidentiality:** I acknowledge that this account shall be used solely in the performance of my authorized job functions by the signed requestor below. I also acknowledge that I will take the necessary precautions to maintain the confidentiality of my ACF2 logonID password; and that I will immediately report its disclosure or use by anyone other than myself immediately to my supervisor. If it is determined that my assigned logonID is being used by an entity other than myself, I understand that my logonID will be suspended and will only be reinstated after a new logonID change request is

submitted to ETS. I will further submit a new logon ID change request should my contact information change.

**Security Policy Compliance:** I acknowledge that this account shall be used solely in the performance of my authorized job functions. I also acknowledge that it is my sole responsibility to ensure any use or access is compliant with the state security policies and will take all the necessary steps to ensure compliance. Security Policies are located at the following URL: <http://security.alaska.gov>

**Compromise Remediation /Security Violations:** Should security monitoring determine your authenticated LOGONID compromised with malicious software, running a prohibited file-sharing program, or otherwise in violation of security policy, your LOGONID may be immediately deactivated. Reinstatement of the ID will take place only after remediation/investigation has taken place per state policy/operating procedure. Permanent account revocation could be applied depending on the severity of the offense.

A LOGONID is for a **specific** Job Function and is NOT transportable to a new Job Function.

Do you currently have an existing LOGONID? :  YES  NO

If YES: Identify your LOGONID: \_\_\_\_\_

Your **ACF2 CONTACT** person must send us an email to delete your OLD LOGONID if you require a new one.

If you require an additional LOGONID specify the reason on an addendum attached to this form.
